ALCOHOL AND DRUG PROGRAM

Our Treatment Program for alcohol and drug abuse is not covered by our medical insurance. It is a separate program that is set up through our Employee Assistance Program (EAP). The only providers for the alcohol and drug treatment program are Sojourn House in Freeport and Rosecrance (for adolescents) in Rockford. The EAP Committee members are: for the company Duane Bartelt, Safety Training Manager, and for the Union Tom Knautz, Employee Involvement Coordinator, Dave and Dale Swanson, and Don Menefee.

If you need more information about this program, get in touch with any of the above listed EAP Committee members. Remember if you use any other treatment center, your claim will not be paid.

Tony Balsamo
Benefits Representative*
